The Dating Wizard Announces Next Seminar For Men

The Dating Wizard (Michael W.) has allowed aLoveLinksPlus.com to announce the location and date for his next seminar, a real life outing that instructs guys how to meet, attract and pick up women without any sneaky tricks. "This is a real life 'Hitch', " said Michael W, "making women feel awesome and craving more of the chemistry that I teach men to create".

Toronto ON (PRWEB) April 22 2005 – aLoveLinksPlus.com, award winning dating directory and relationship advice web site is pleased to announce the location and date for the next seminar hosted by The Dating Wizard (Michael W.) to be in Toronto, Ontario on June 11 and 12, 2005.

The Dating Wizard seminars are built around the realization that any man can learn to have the charisma, the attitude and the qualities that women find attractive, without having to rely on manipulation, phony come-ons or hypnosis.

"I am very proud to be publishing The Dating Wizard advice articles weekly" said Robert Lee, editor of aLoveLinksPlus.com. "The advice is down-to-earth, honest and above all, his techniques really help guys make a difference in their romantic lives.

"And many of the things that participants in this seminar learn will easily cross over into their day-to-day lives, making the men more confident and successful not only in their personal lives but in their professional relationships as well.

"aLoveLinksPlus.com has been publishing The Dating Wizard advice articles for more than 2 years now and we've never been disappointed in the quality of advice made available to our visitors."

"The bottom line is getting guys results. That's why everything I teach is constantly being put to the test by my clients as I guide them in real venues such as malls, clubs, bars and cafes, and is also why I include real life demonstrations of this in every seminar," Michael W. explained.

The Dating Wizard seminars have been opportunities for clients to learn the most advanced concepts for creating sexual attraction rapidly in various environments. In addition, seminars feature special insights into online dating and long term relationships, and are enriched even further with renowned guest speakers who have worked with Michael in developing many of his innovative strategies.
