

## **aLoveLinksPlus.com Announces New Recommended Online Dating Services**

*aLoveLinksPlus™ has been reviewing online dating services since 1999 and is proud to recommend these newly reviewed dating services and announce seven new dating advice columnists.*

Vancouver, BC, Canada (PRWEB) November 11 2008 – aLoveLinksPlus.com, a leader in the online dating industry, is proud to announce recommendations of dating services that have been recently reviewed.

"We have completed reviews and found the following online dating services to meet or exceed our requirements for recommendation" says Robert Lee, editor and owner of aLoveLinksPlus.com.

Love Is Sexy  
Second Shaadi  
Say Hey Hey  
Omnidate.com  
iChatPhilipina  
Date An Indian

Dating For Rich People  
Love and Friends

Robert Lee says "I have been seeing a marked increase in the effect of social networking web sites becoming the de facto standard for the templates of new dating services start ups. This is reflected in a few of the services named above.

"While this may be a benefit for the short term as a business model I do not see a future for many businesses based on this model as the financial crisis effects will be felt throughout the dating industry affecting advertising budgets across the board. Less advertising money and more options for placing advertising will only force smaller member based services to shutter their doors or merge with larger partners as their costs exceed their revenues.

"aLoveLinksPlus.com, as a rule, does not publish reviews of online services under 1 year old or less than 10,000 members, although unique content sites that have a sustainable model will sometimes be included as a reviewable and recommended.

"For the online dating industry as a whole, I am looking forward to the continuation of web standards in the handheld arena that will allow for a growth period for the online dating service industry as their reach expands through 2009 and into 2010."

aLoveLinksPlus.com is also pleased to announce seven new contributors that we are proud to publish regular advice articles for our audience:

Lisa Daily – 'Stop Getting Dumped' and 'How To Date Like A Grown-Up' author

Michael Marks – 'Get A Great Girl' author

Jay Julio – 'Cool Guy With Women' author

Rob L – Finding Love Online For Women contributor

Steve Ubah – 'Make Your Romance Sizzle' author

Adrian Tomole – Approach Anxiety Cure' author

David Deangelo – 'Deep Inner Game' contributor

Through the remaining 2008 months I am hopeful for the online dating industry and the positive effects that can be brought to single men and women throughout the world.
